Reverse of card reads-

You can make enemies without intending to.

It's bad news if your enemy is stronger than you are.

Jesus is alive, invisible and all powerful.

It won't be easy but He can help you if you ask Him to, using a prayer.

### Reverse of card reads-

You have asked Jesus into your life as Lord and Saviour. Things are going good.

You have a thought. I don't feel guilty anymore because I'm forgiven. I can do what I like. So you do something you know you shouldn't and you feel really bad.

It isn't too late.

Your Chaplaincy Team can help you set goals to use your new freedom in Jesus to make your life better.
